2024 Sponsorship Opportunities

On behalf of Hearts of the Hospital, we invite you to join us for our most anticipated event of the year: **Sequoia Hospital's Stork Club.**

Set in the newly renovated Grand Bay Hotel, you will be transported to 1930s Manhattan, where glitz, glamour and elegance abound. Inspired by The Stork Club, one of the most prestigious night clubs in the world, guests will dine on sumptuous fare, while enjoying curated cocktails, live music and dancing.

Unlike your average table sponsorships, this special Stork Club event will elevate you and your guests experience with an unforgettable evening for an incredible cause: our Birth Center at Sequoia Hospital.

There are a variety of table sponsorship opportunities for you to maximize your time at this once-in-a-lifetime event and meet your philanthropic priorities. With our limited capacity, this event will sell out, so don't wait!
